

SUNDAY JANUARY 1ST 2012

Dear Supporter

New Years Day Run to Start from Red Bull Racing!

Last year's start point of Aston Martin Works Service, Newport Pagnell will be moved to Red Bull Racing HQ in Milton Keynes whilst Works Service undergoes an exciting redevelopment programme.

In addition to the new start point we have increased the entry to 75 cars and if that wasn't enough excitement we have a fabulous new route! We do hope you will find the new format interesting and the navigation is straightforward – mileage instruction – no one gets lost on our event!!

Cars will be flagged off from Red Bull Racing in Milton Keynes, drivers and co-drivers will navigate through the Buckinghamshire countryside to a check point at the Stony Stratford Vintage Car Gathering then onto the wonderful Art Deco setting of Sywell Aerodrome.

As well as The First Run cars on display at Sywell, the Aviation Museum will be open from 12.00 Noon. Food and drink will be available in the Aviator Hotel and the challenging Murray Walker Pub Quiz will kick off at 1.30pm...Ladies and Gentlemen Please Sharpen your Pencils!

"The continued success of 'The First Run' event is very important to me and all monies raised from the event to will be donated to The Friends of the Walnuts and we are hoping to double last year's generous figure, said Mick Pacey, CEO, Magic of Motoring.

We look forward to seeing you again.

Regards

Alison and Michael
